April 9, 2020

The current COVID-19 emergency has seen in-person events canceled or postponed. This month, we present a set of useful resources and online events from around the region.

Resources

[New Mexico Health Department](#)

Latest news and advice from the state.

[Assistance for Individuals](#)

List of organizations and programs offering assistance for individuals, categorized by the type of need.

[Meals for Children](#)

Organized by school district.

[Assistance for Businesses](#)

The New Mexico Economic Development Department is a good starting point for businesses looking for assistance.

[Resources for Nonprofits](#)

The Center for Nonprofit Excellence, United Way of Central New Mexico (CNPE), the New Mexico Association of Grantmakers (NMAG) and New Mexico Thrives have collected a [valuable list of information and resources](#) for New Mexico nonprofits.

[Science at Home](#)

The Lab's Bradbury Science Museum has gathered online resources for science learning at home.

Online events

Free online yoga with Hot Yoga Taos

Anice Joy and Hot Yoga Taos are offering free yoga twice a day every day during our social distancing. Classes take place on [Facebook Live](#).

April 24: Content creation for small business owners

Join [WESST](#) for an online workshop on how to optimize your marketing time using content you already have, with easy-to-implement action steps along with a checklist.

New Mexico Wildlife Center Wild Live!

STEM Santa Fe daily activities

Looking for additional educational activities while your children are at home? Our friends at [STEM Santa Fe](#) are posting a new STEM-related activity every day that everyone can download and try.

Lensic Online and CCA Living Room Season

Santa Fe's performance center launches [Lensic Online](#): watch classic clips, get links to other great performing-arts-at-home resources, and more. And the Center for Contemporary Arts is offering a "[Living Room Season](#)" of live virtual events, screenings and interviews.

Have an online community event or resource you think we should feature? Email the details (including web link) to connections@lanl.gov

Los Alamos National Laboratory
